

WHY VEGAN?

SAME FEELINGS. SAME DESIRE TO LIVE.
DIFFERENT TREATMENT.

You already believe animals can feel fear, pain, affection, comfort, and trust.

The question isn't whether animals matter.

It's why we treat some as family and others as products.

BETTER HEALTH

Plant based diets can lower the risk of heart disease, type 2 diabetes, and certain cancers.

A HEALTHIER PLANET

Animal agriculture is a leading cause of deforestation, water pollution, habitat loss, and greenhouse gas emissions.

LESS ANIMAL SUFFERING

Billions of animals are raised and killed each year for food. Choosing plant based foods helps reduce this suffering.

COMPASSION IN ACTION

Delicious, nutritious plant based foods make it easier than ever to choose kindness every day.
